

Kroger Scrip Card Fundraising Program

The Gymstars Booster Club will be Kroger gift cards as one of our on going fundraisers. 5% of the face value of the gift cards purchased will be credited towards your child's booster club account. Although, the amount may seem small for each gift card, it really does add up. If you are spending \$400 per month at Kroger (groceries, gas, pharmacy, etc), that would add up to \$240 per year as a credit towards your booster club dues. \$25, \$50, \$100 and \$200 giftcards are available.

Giftcards can be used at any Kroger in the country, Kroger gas stations and in the Kroger pharmacies. So ask relatives, friends, neighbors, and co-workers too!

Cash or checks (made out to the Excel Gymstars) accepted. If you would like to purchase Kroger cards, leave your money and order form in an envelope in the green booster club box at the gym (make sure your name and your gymnast's name is included) and the Kroger cards may be picked up from Jenni Olivo on Saturday between 12 and 1 or at the front desk of the gym. Orders must be submitted by Tuesday at the end of practice, orders will be placed on Wednesday, and gift cards will be available on Saturday.

If you have any questions regarding the Kroger cards, feel free to email Jenni Olivo at jenniolivo@yahoo.com.

Order Form

Name: _____

Gymnast Name: _____

Denomination	Number of Cards
\$25.00	
\$50.00
